Skills

ArcGis, ArcGIS Pro.
(Image Processing)

Autocad

Python(Data Science) HTML
CSS

Erdas Imagine, Mapinfo, Qgis

About Me

As a GIS Specialist I handle various types of GIS data like utility Network, Urban planning, Municipality landbase taxation etc. And I do many types of spatial analysis and Graphical presentation using Excel and various software.

My main aim I want to grow my future as a GIS Developer and that's why I focus on some language like Python, SQL, HTML, CSS And JavaScript. I already use this in Google Earth Engine and Arcgis, ArcGIS pro.
